## MONTHLY THEME

Happy New Year from the Infant Room at Bunny Bunch! As we step into 2026, we are excited to bring the magic of winter to life with our "Winter Wonderland" theme. This month, the infants will explore the wonders of the season through songs, crafts, and even some hands-on play with snow! To start off the month, our little ones will be getting into the winter spirit by singing snowman songs and creating fun, snowy crafts. They'll enjoy getting creative with fingerprint snowstorms, colorful mittens, and marshmallow snowmen. These activities are not only enjoyable but also offer opportunities to develop fine motor skills as they engage with different textures and materials. Circle Time will feature new songs and stories that focus on winter themes, giving the infants a chance to enhance their language skills while learning about the season. We'll also work on identifying and naming colors, helping to develop their cognitive skills in a fun and interactive way.

Of course, winter wouldn't be complete without snow! We're bringing the outdoors to the classroom by introducing some real snow for the infants to explore.
